MESSAGE FROM CHAIRPERSON

"Deafness is my business" is the theme at DeafNET's 2017 Annual General Meeting.

The main business of DeafNET is to bring Deaf people, their families, hearing colleagues and friends, service providers and professionals together. The aim is to gather, share and exchange knowledge, skills and research results in order to further the personal autonomy and self-representation, healthy human values and universal human rights of Deaf persons. It includes leadership development, socio-economic integration and quality of life of Deaf persons and their families. The DeafNET Africa Conference in September 2016 on Deaf Education showed again how effective, dynamic and valuable the business of bringing Deaf people together works to debate in depth, to bring forward new insights and guiding principles, to formulate resolutions that should be adopted by local authorities and governments.

REV ATTIE SMIT

CHAIRPERSON: DEAFNET BOARD OF TRUSTEES

The past year marked the tenth anniversary of DeafNET. When looking back it is rewarding to see the interaction and exchange between Deaf communities on the Africa Continent that was established through the excellent work of DeafNET and the DeafNET Africa Committee (previously the Africa Contact Group for Mental Health and Deafness). The result is an on-going reciprocal process of enrichment and empowerment across borders of culture and country. The reader will find more details in this report of how it was achieved through the dedicated and innovative efforts of all the stakeholders and role players combined.

This would not have been possible without the support of partnerships, sponsors, volunteers, committed and able staff and a devoted competent board of trustees.

Businesses, organisations and individuals are invited to join us - and add new dimensions to your business.

MESSAGE FROM CEO

DeafNET Centre of Knowledge was started by a visionary who made Deafness his business. One person's act of kindness opens up a network of knowledge and expertise in the interest of deaf people across Africa. DeafNET can proudly announce, that since 2006, its network is now established in 49 countries on the Africa continent.

This annual report therefore presents the impact and change this network created; it presents the kind hearts of people within this network, who made Deafness their Business. Our business-network opens up the heart to the beauty of the Deaf community and this report shows the enormous dividends of the investments made by individuals, business sector and partner organisations. Their inclusion of Deafness helped Deaf leaders to access more knowledge and build their social competency; helped to develop the numeracy and literacy skills of deaf learners; helped to make people more aware of Deafness and helped to bridge the gap between the hearing and the Deaf.

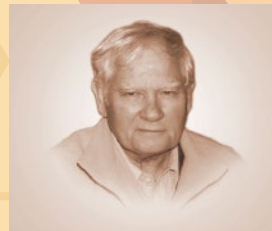

We are thankful to the business sector, philanthropes, volunteers, network partners, DeafNET leadership and staff who joined hands to give Deaf persons a voice. Our humble appreciation to our donors and sponsors who see Deafness as a viable business and who are continuously investing in the education of our Deaf children and the empowerment of Deaf persons in Africa through knowledge. Together we can make this business network stronger!

WHO WE ARE

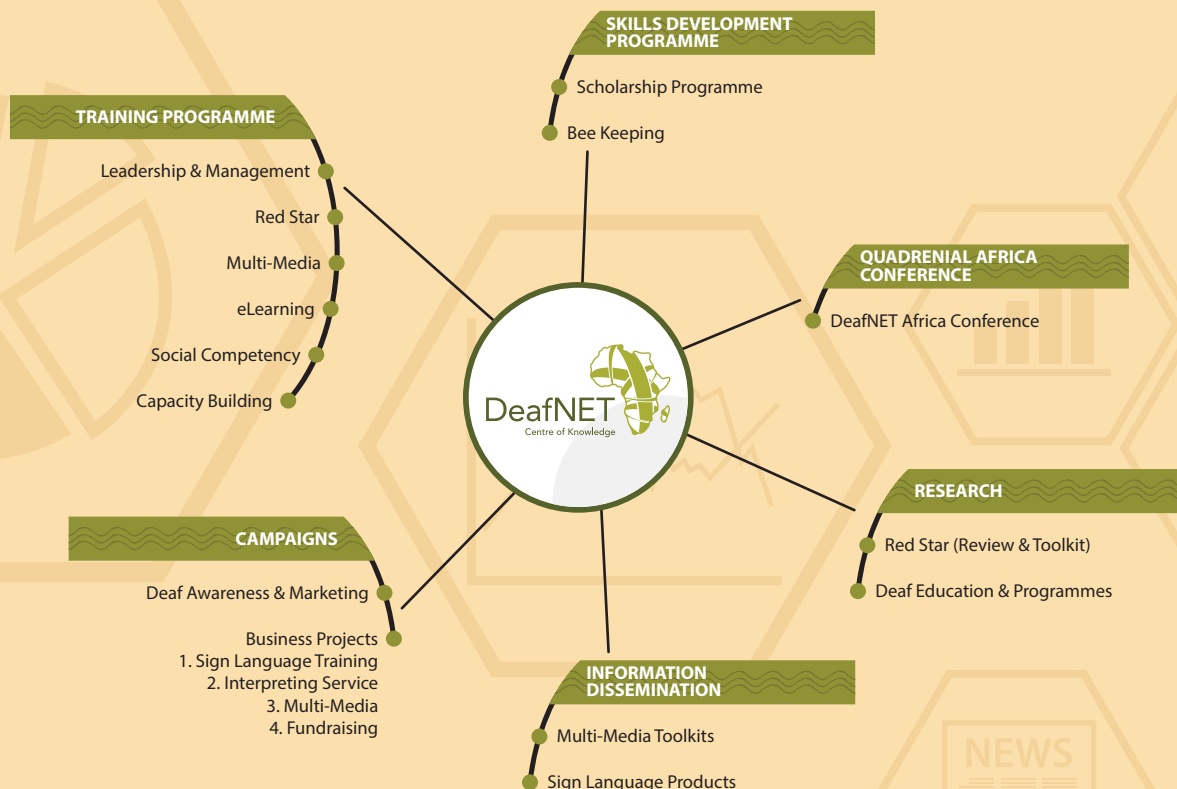

Vision

To be a world class network of knowledge and expertise in the interest of people in Africa who experience hearing loss and related communication barriers.

Mission

- To particularise, exchange and disseminate knowledge and expertise on issues relating to people who experience hearing loss and related communication barriers
- To empower them, their families and their communities through research and training
- To promote the improvement of health, well-being and quality of life of people with hearing loss and their families through accessible, available, affordable and appropriate services, training and media

WHAT WE DO

HOW WE DO IT

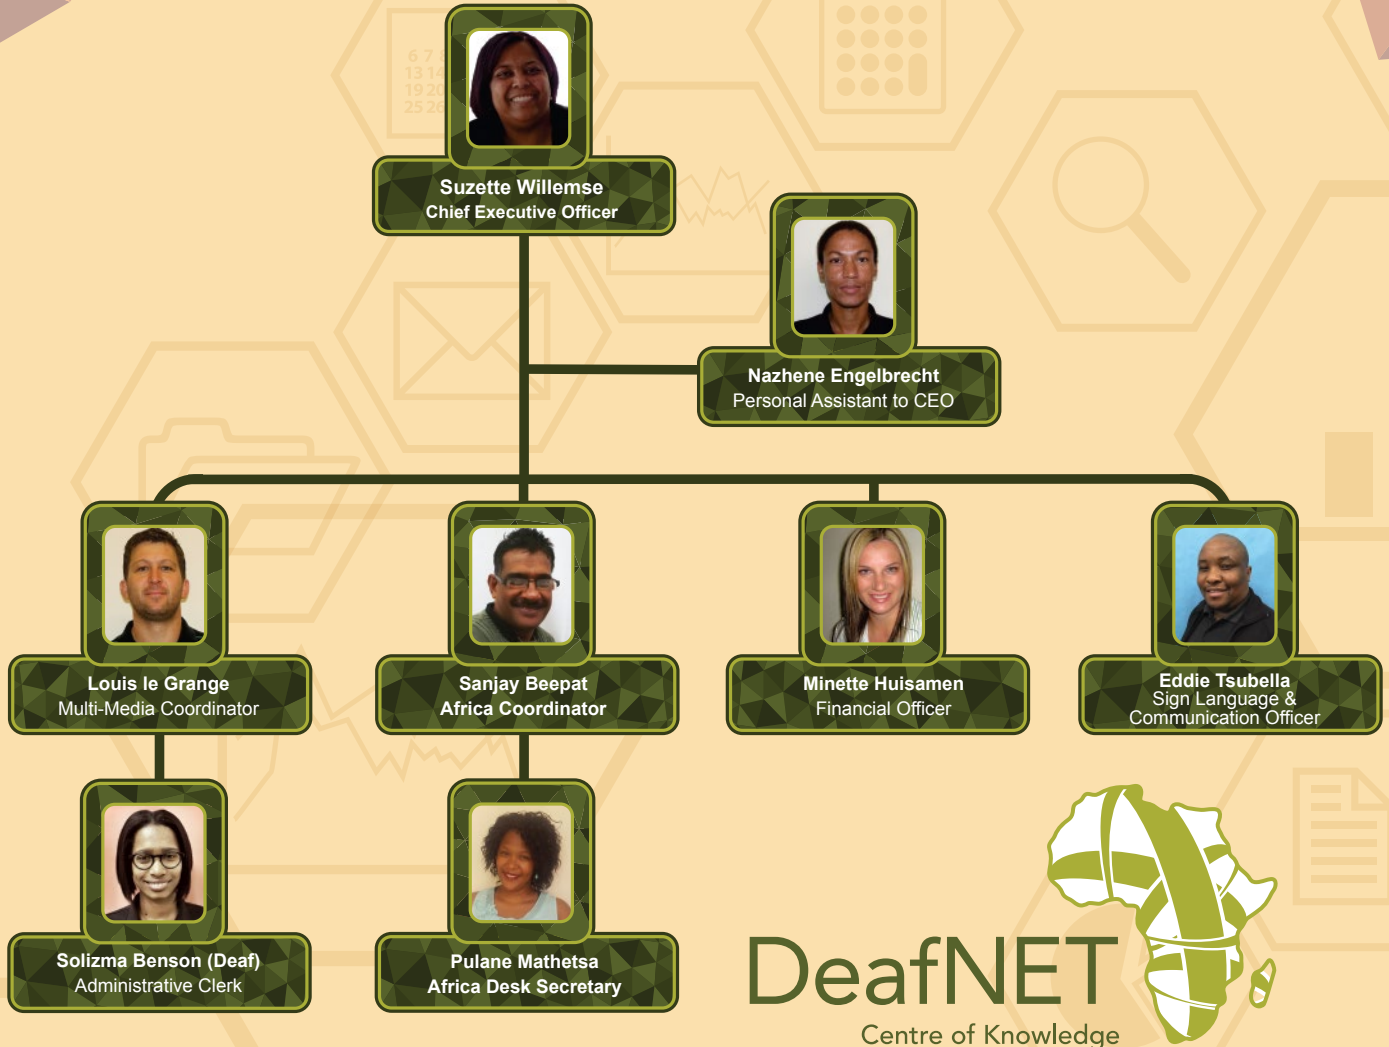

Our programme details is available on our website at www.deafnet.org

DeafNET Africa Network

DeafNET's network is established in more than 49 countries across Africa. We ensure support and development to our Deaf communities through joint initiatives and assistance of our DeafNET Africa Committee (DAC) previously the ACGMHD (Africa Contact Group for Mental Health & Deafness).

DeafNET STAFF

ACCREDITATION

B-BBEE Status

Currently the organization holds a B-BBEE level 1 status.

PROJECTS

Sign Language Training

Training at NETCARE, Western Cape in Cape Town from 11-13 April 2016.

Facilitators were: Eddie Tsubela and Samantha Hector (Deaf) from DeafNET

DeafNET staff together with members of Worcester Tourism attended a Basic SA SL Course from 18-22 April 2016. The Training has been conducted by University of the Free State. This is a Level 5 accredited training.

Sign Language Training at DeafNET's office:
21-24 November 2016

Facilitator: Eddie Tsubela (DeafNET SL & Communication Officer)

Sign Language Training: High School Learners:
5 December 2016

Facilitator: Eddie Tsubela (DeafNET SL & Communication Officer)

Red Star Training

Educators are trained in the Red Star Training Method and they are empowered with:

- > Skills and methodology to impart reading and writing skills of Deaf learners
- > Improving Sign Language skills in Deaf learners
- > Improving literacy and numeracy abilities of Deaf learners
- > This is a partnership programme between DeafNET and De la Bat School for the Deaf, Worcester, SA

DeafNET developed a video for educators on the content of the Red Star training method.

DeafNET developed a marketing video for Red Star.

Currently we are busy to develop a complete Red Star Toolkit for Educators at Deaf Schools.

The following countries are trained in the Red Star since 2012 and it is implemented in these countries:

- > Mauritania
- > DRC
- > Benin
- > Cameroon
- > Mozambique
- > Madagascar
- > Tanzania
- > Zimbabwe
- > Botswana
- > South Africa

Implementation of Red Star Training Method Zimbabwe

The Red Star training method is our flagship program and it was developed to bridge the gap between sign language and spoken language. DeafNET trained three educators of King George VI School in Zimbabwe in the Red Star Training Method. The training was facilitated by Mrs. Ina Senekal from De la Bat School for the Deaf and the educators that attended the training are implementing the method at their school with great success.

Scholarship Project

DeafNET seeks to empower young Deaf girls from Africa by offering them the opportunity to further their education.

The promotion of education and training is an important activity for DeafNET. It is our vision that the scholarship will develop into an ongoing institution / project at DeafNET.

DeafNET's Scholarship student Samantha Hector from Mauritius started her studies in 2014 with the Links for Life programme and in 2015 she has been in her 1st yr studying Early Childhood Development (ECD). Samantha finished in 2016 her Level 4 ECD training at NID College.

DeafNET's Scholarship student, Loveness Majoni from Zimbabwe started and finished her studies from April 2016 to March 2017 at the NID College as a Beautician.

Ashleen Dammert & Cassandra Janse van Rensburg is currently doing a ECD Level 5 course through CAL Training College.

Mauritania/Senegal Sign Language Dictionary

The Sign Language Handbooks for Mauritania and Senegal have been completed and handed over to Silent Work in 2016 with 1000 words in Arabic SL and 1000 words American SL.

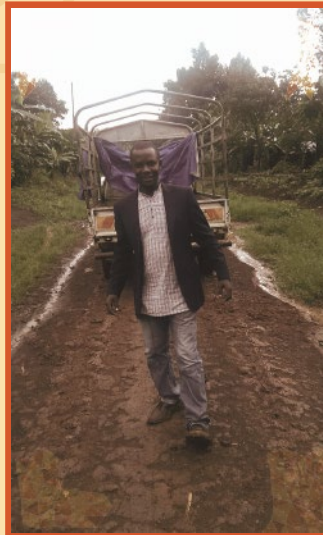

Beekeeping Project (Uganda)

Beekeeping for Deaf People in Africa:

- > To encourage sustainable livelihoods by providing Deaf community with beekeeping skills in agricultural sector so that they can earn an income and become productive in the society.
- > To empower Deaf people through engaging them in beekeeping in order to improve their knowledge about beekeeping and communication skills to become rural entrepreneur.
- > To establish a Deaf friendly beekeeping model which can be replicated in both Anglophone and Francophone African countries.
- > To promote human rights of D/deaf people as well as better training and development.

Ten (10) Deaf persons have been identified and trained in Beekeeping. Follow-up visits is done by our Deaf Project Manager, Edgar Bwire, in Uganda.

Edgar Bwire

A presentation on the project was done by Edgar at the DeafNET Africa Conference 2016.

HIV/AIDS Campaign in Malawi

During November/December 2016, our Deaf leader in Malawi, Rev Jimmy Akimu, presented information sessions on HIV/AIDS to learners and at churches in Malawi. He is using the HIV/AIDS Toolkit of DeafNET to educate Deaf persons on the HIV Pandemic.

I do Awards 2017

- > Promoting Healthy Marriages/Relationships and Happy Homes for the Deaf.
- > Promoting self-worth and educate the Deaf on the importance of strong and healthy relationships/marriages to build a strong Deaf community.
- > Promoting/marketing DeafNET as organisation.

Winners of Against all Odds Award:
Mr & Mrs Serfontein, a Deaf couple
from Johannesburg.

CONFERENCES

DeafNET Africa Conference 2016

Johannesburg, South Africa 26 - 30 September 2016

The 4th DeafNET Africa Conference (26 – 30 September 2016) held at the Premier Hotel OR Tambo in Johannesburg - South Africa, brought together an interdisciplinary group of delegates from 29 African countries involved in the fields of deaf education and advocacy. The tone of the main conference was set during opening speeches delivered by DeafNET CEO Mrs Suzette Willemse and DeafNET Chairperson Reverend Attie Smit. This conference engaged African delegates from a wide range of professional disciplines in knowledge transfer and inter-professional collaboration to maximize the wellbeing of African Deaf people and improve their overall quality of life.

The conference was comprised of workshops, plenary presentations and discussions, poster sessions and a gala dinner. The main objectives of the conference included:

- Strengthening and expanding existing networks
- Gathering and disseminating knowledge that empowers educators of the Deaf to equip Deaf learners with knowledge, social competencies and vocational skills equal to their hearing peers
- Raising awareness in the private and public sectors of society about Deaf human and civilian rights, as well as Deaf potential and abilities - including access to equal education on all levels
- Advocating and promoting Sign Language (SL) as a tutoring language for SL users on all levels of education
- Adopting resolutions and a conference declaration as guiding documents for the next 4 years
- Electing regional representatives and office bearers

The main conference was divided into the following plenary sessions:

- Early Childhood Development
- Sign Language and Education
- Adult Education and Training
- Human Rights, Health and Wellbeing
- Deaf Education and Community Integration

Pre-Conference Workshops:

On 26 September 2017 DeafNET presented two workshops:

A. Red Star Training Method

On 26 September 2016 more than 120 people attended the Red Star Training Workshop at the Premier Hotel, Johannesburg. This workshop was attended by Deaf participants from Deaf schools and organisations from all regions in Africa as well as Dept of Education and Deaf schools in South Africa. Educators trained in the method from Zimbabwe, DRC, Cameroon attended this workshop as well. The workshop was facilitated by Mrs Ina Senekal, founder of the training method. See youtube link below.

<https://youtu.be/P2fVjoyMjpc?list=PLTck9gxvwWSd4fVpdxkc2BFEDVwGI7EbE>

The Red Star workshop has been facilitated by Mrs Ina Senekal from De la Bat School for the Deaf, Worcester, South Africa.

B. Storytelling

The Storytelling workshop was facilitated by Ms Ruth Morgan & Mr John Meletse from the University of Witwatersrand, Johannesburg, South Africa.

Deaf culture focuses on the stimulation of the eyes and the enhanced visual perceptiveness of Deaf individuals. Storytelling is important for the Deaf and/or Hard of Hearing persons to share their experience, however in a safe and secure way.

Storytelling is done through video about your life and journeys you had to take to be where you are. It is important for society to see the life from a Deaf and/or Hard of Hearing person's point of view. For the Deaf community it is ideal for the Deaf and/or Hard of Hearing people to share their stories so that the society that we live in can become aware of the difficulties the Deaf persons encounter on a daily basis.

FUNDRAISERS

Ambassadors Banquet

The DeafNET Ambassadors Banquet was held on 12 March 2016 at the Goudini Spa, where guests were treated to top-notch entertainment, scrumptious food but also stunning views of the mountains and surrounding Rawsonville.

This was a special evening as DeafNET celebrates its 10th anniversary, the funds raised were for the purpose of education and to place DeafNET as a world-class network of knowledge and expertise in the interest of people in Africa who experience hearing loss and associated related communication barriers.

This is the 2nd Banquet that was held by DeafNET and they managed to raise R108 007 for the centres' two main programmes. The first being a scholarship programme for young Deaf girls that provides an opportunity for their tertiary education and the second programme being the Red Star Training Programme which empowers Deaf learners with numeracy and literacy skills.

Ladies Breakfast 2016

The 3rd Ladies Breakfast of DeafNET took place on 09 August 2016 in partnership with Golden Valley Casino, Worcester.

Ladies helped to raise funds in aid of DeafNET's Scholarship project. The keynote speaker was Ambassador Rosebud Tsobane and the entertainment was provided by the beautiful and talented singer, Deva Willemse. Amatola van Niekerk, from Justine Beauty products welcomed all ladies with a hand scrub and massage. The occasion was blessed with the presence of Kokkedoor Finalist Aletta Coetzee.

2nd Annual Golf Day Paarl, South Africa

11 November 2016

DeafNET hosted its 2nd Annual Golf Day at Boschenmeer Golf Estate in Paarl, South Africa in benefit of Deaf education in Africa. We would like to express our appreciation for the participation and sponsorships of individuals and companies to make our golf day a huge success. We have raised an amount of R 60950 during this fundraiser. We applaud Tusk Event Management who assisted us to make this event a success.

Cape Town Cycle Tour 2016

6 March 2016

Three cyclists assisted DeafNET to raise funds for the education of Deaf children in Africa.

Jacques Matthee and Stefan Boschoff from Worcester and Darrel Slambee from Bloemfontein took on the Cape Town Cycle Tour on 6 March 2016.
